

In The Loop with SCARF

Sunlight Children's Advocacy and Rights Foundation

August 2014

Issue 8/Volume 8

Suzi Thien, Executive Director

Because of you, Sunshine Children's Home will provide comfort for abused and neglected children in your community. Our

construction is on target, and we are so grateful to those who are helping furnish Sunshine Children's Home with supplies needed to open our doors to children in crisis.

Our thanks go out to **Slumberland Furniture** for donating 15 beds and to the Disciples Women's Fellowship of **First Christian**

Church of Augusta, for their donation of diapers, bottles, clothes, and art supplies. These supplies will make our house a home for abused children in your community. **Thank you for your compassion in**

helping furnish Sunshine Children's Home.

Won't you help us create a safe environment? We have created "wish list" registries at Walmart and Target with supplies we'll

need as we prepare to open our doors in the fall. Won't you help us by donating toys, clothes, kitchen items, and other general supplies? Grab a few items next time you shop and drop them off at Sunlight Child Advocacy Center at 110 S. Gordy in El Dorado. We will update our registries as our needs change. View the registries by visiting our website at www.scarfks.org/sunshine-childrens-home/

You can also help SCARF while you shop on Amazon. Amazon Smile is a program for Amazon.com shoppers to donate a percentage of their purchase to their favorite non-profit. It's easy! Go to <http://smile.amazon.com/about> for more information, and choose SCARF as your favorite non-profit. **Thank you!**

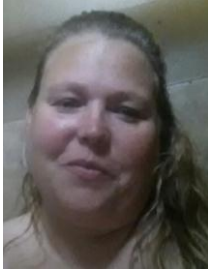

Check out our new website design at www.scarfks.org!

"In the Loop with SCARF" is a memo to friends and supporters of Sunlight Children's Advocacy and Rights Foundation. It is mailed on the first Monday of each month.

SCARF welcomes Dianna Brasuell as Child Advocacy Center Intern.

Dianna is joining the CAC for a nine-month internship as she completes her Bachelor’s Degree in Social Work through Wichita State University. She will be assisting with outreach, client follow-up, and a variety of other tasks. Dianna says she looks forward to working with us and meeting everyone on our multidisciplinary team.

Welcome, Dianna!

This will be the last monthly edition of “In The Loop with SCARF.”

You can still follow the work you make possible through your donations and support as we switch to a bi-monthly edition format. You can also find news and interesting links at our freshly designed website, www.scarfks.org – and remember to “Like” us on Facebook!

Morgan loved her dad in the day but was terrified of who he was at night. She fell asleep at school because she stayed awake all night to watch for him and protect her little sister. Morgan was relieved to tell the truth to someone who cared at SCARF.

Thank you for helping Morgan find safety.
