Help spread the word that April is Child Abuse Prevention Month – Contact Sunlight Child Advocacy Center at (316)313-4107 to see how you or your business can get involved. The CAC is diligently planning for April, so don't miss out on this opportunity to make a difference.

Sunshine Children's Home has a full storage room thanks to all our wonderful donors. Companies, church groups, individuals, and children have given selflessly so the kiddos at SCH have the clothes, personal hygiene supplies, and other much needed items to make their stay more comfortable. **We are so thankful!** As of mid-January, the children's home has provided a safe place for 51 children.

Find current needs for Sunlight Child Advocacy Center and Sunshine Children's Home on our website www.scarfks.org.

"In the Loop with SCARF" is a memo to friends and supporters of Sunlight Children's Advocacy and Rights Foundation. It is mailed on the first Monday bimonthly.

Hundreds of children and parents participated in the free community event, **KIDZFEST**, in El Dorado on January 10th. **Sunlight Child Advocacy Center** set up a booth and provided resources for parents, along with create-your-own puzzles for the kids. If you have an event in your community, let us know! We appreciate the opportunities

provided by our surrounding communities that allow us to provide resources and information about our program and keeping children safe.

James was told by his uncle that if he spoke about what happened at his house, he would no longer surprise him with new video games. James felt safe at the Child Advocacy Center telling the detective what happened at his uncle's house. Your support to SCARF helps provide this safe place for kids like James.
